Flights

Now it's time to get your flights sorted! Our in-house flight team will soon be in touch to discuss travel options with you.

Our team will be able to assist you with your booking to help you get the best possible price on your flight to Camp. Please look out for an email from flights@invasion.com.

If you choose to book your flights elsewhere, please refer to the information below to assist you with your booking.

Arrival Information

Whichever flight option you choose, for Camp Real Thai, Chiang Mai, Cha-Am and Bangkok aim to arrive into Bangkok anytime before 1.00pm on your arrival date. For Camp Phuket please aim to arrive before 1.00pm in Phuket. Pick-ups will be taking place throughout the morning and afternoon, with last pick-up at 2pm. The team will be waiting for you at the airport's official 'Meeting Point' on the arrivals floor. If you arrive after the latest pick-up time you will need to get a taxi to the hotel in Bangkok or secondary meeting point if you're at Camp Phuket.

Departure Information

Camp Thailand is a 3-week program, with your return travel provided for you back to Bangkok after Camp is over if you stay at Camp Real Thai, Chiang Mai, Cha-Am and Bangkok locations. On the last day of Camp, you will set off back to Bangkok in the morning, arriving later that afternoon. You could book a flight later that night or, to allow for potential travel disruptions, stay in Bangkok for an extra night and fly the following day. This is the same for Camp Phuket however your departure flight should leave from Phuket. This is a great time for some last minute souvenir shopping! If your flight is in the morning, the team will assist you in heading to Bangkok earlier in the day.

Remember, if you're booked onto our Island Hopping Tour, please speak to a Camp Thailand team member before you book your return flight home.

IMPORTANT - Once you have booked your flight, please make sure you send a copy of your flight itinerary to info@SummerCampThailand.com

DBS Check

Before arriving in Thailand, you will need to have completed a DBS criminal background check. It is part of Camp Thailand's policy to request this check, as you will be working with children whilst at Camp.

The cost is **£48.86**. Please complete this payment as soon as possible by logging into your account, clicking 'Purchase New' and choose the 'Police Check' option.

Once payment has been processed, you will receive an email from the DBS containing your direct log in details. You will need to follow the instructions and log in online, then submit all required personal information. Then, please send a copy of your passport or driving license and proof of address to info@SummerCampThailand.com so your documents can be cross-checked by the team and submitted to the DBS.

Once complete, you will receive your certificate in the post.
Please bring this along to Camp.

If you are from outside the UK, you will need to visit your local police station to complete a background check.

Once documentation has been received, please send a copy to us here at HQ to info@SummerCampThailand.com

Health & Insurance

So, you've sorted your flights and DBS check, now it's time to sort out your insurance and Health history form.

Insurance

Before coming to Thailand you will need to obtain travel insurance. This should cover such things as medical expenses, trip cancellation, lost luggage, flight accident and other losses incurred whilst at Camp/any travelling afterwards.

You can obtain our recommended travel insurance by clicking [HERE](#).

Once you have organised this, please make sure you send us a copy of your policy to info@SummerCampThailand.com and print a copy to take with you.

Health

Everyone coming to Thailand needs to complete the 3-page Health History Form (that we'll send to you) and return it to info@SummerCampThailand.com.

You will need to book an appointment with your GP to get these forms completed within 3 months of your trip. You must fill in the 'Pre-Existing Medical Condition Questionnaire' that is at the beginning of the Health History Form if this applies to you. If any question does not apply to you, simply write N/A but you still must have it signed by your GP.

Please be aware that there may be an additional charge to get your forms completed. This is at your GP's discretion.

Vaccines

Now it's time to find out which vaccines you will need prior to starting your Camp Thailand experience.

There are certain vaccines you will need to get before flying to Thailand. There's a few which are required, and a few more that are only recommended. It is your responsibility to get all the required vaccines. Since some vaccines require a number of injections over a period of weeks, you should consult and visit your nurse at least 12 weeks before you fly to ensure you have enough time to complete the vaccine programme.

The nurse will ask which area of Thailand you will be visiting, which will depend on which Camp you are going to. Please see a list of Camp locations below:

**Hua Hin +
Kanchanaburi**

**Sing Buri
+ Ko Samet**

**Chiang Mai
+ Hua Hin**

Phuket
